Honouring the dairy farming legacy, Merryvale pays tribute to the innovative Newton family. Their forward-thinking approach and experiments with new tech made Merryvale farm a hub for agri innovation. The name comes from the “Stud” of the Jersey Cow Farm, where the Queensland Department of Primary Industries hosted field trips.

THE BAILS

Named after the iconic milking sheds on dairy farms, The Bails epitomises the Newtons’ ingenuity. These modern-style sheds, crafted from farm-cut timber, were featured in a newspaper, showcasing the Newtons’ progressive farming method.

MEADOWS

Once sprawling pastures where cows roamed, Meadows embodies the fertile soil and open spaces of Lilywood Landings. This precinct, with its lush green corridors, offers northerly views and a link to the area’s farming past.

SETTLERS CHASE

Reflecting the historical farm buildings, Settlers Chase welcomes the next generation of families to Lilywood Landings. This precinct honours the legacy of those who came before while embracing new beginnings.

RIVER VANTAGE

Embracing the tranquil beauty of the Caboolture River, River Vantage offers a picturesque setting surrounded by lush reserves. This precinct is a haven for birdlife and provides residents with a scenic vantage point to enjoy nature’s splendour.

RIVER BEND

Situated on elevated land along the riverfront, River Bend boasts sweeping views and direct access to the reserve. This premier precinct offers a tranquil retreat, characterised by its secluded location and prestigious offerings.

RIVER PARKLANDS

The extensive parklands are dedicated to the enjoyment of locals and residents to stretch out and spend quality time relaxing along the embankments of the Caboolture River. This is a protected flora and fauna area and as such will be maintained by the Development until such times that Moreton Bay City Council will take over ongoing management.

‘Lilywood’ is a nod to these evergreen perennials and ‘Lilywood Landings’ serves as a tribute to the early settlers and pioneers of our West Caboolture community. We pay homage to the past but trust that it fosters a profound sense of belonging and ownership within this future generation community.
